# MARINE BUSINESS

for Life - for Greater Goods - for Better Future

Let us Craft the right solution  
for your Marine Needs.

## WELCOME TO GLOBAL SINERGI MARITIM

PT. GLOBAL SINERGI MARITIM is an Indonesian Registered Company - AHU-0156277, with the purpose and objective of investing in shipping as an owner and operator, namely in Barges with a strong focus either in the Domestic region or even South East Asian Shipping Market. We're actively seeking to extend our services in south east asia, focusing on mining and other marine related activities.

GSM Tugs & Barges is committed to ensuring an effective improving Integrated Management System (IMS) is in place, so that its policies are followed, and the organization strives to achieve its objectives, goals and targets. We focus on providing a safe and healthy workplace for all personnel, and ensuring our operations have a minimal environmental impact.

# BUSINESS OVERVIEW

## Marine Transportation

Global Sinergi Maritim - marine transportation division specializes in the provision of tug & barge services for a wide range of sea transportation projects.

Supported by a modern and versatile fleet of barges manned by a team experienced crew, its fleet comprises of crane barge for heavy lift operations, high performance tugboats and anchor handling tugs that are fully equipped for offshore marine services.

## Marine Transportation

It's strategic location, complete with a private waterfront and Jetty facilities, makes GSM Marine Transportation division the ideal choice for barging service.

Working closely with the group's other business divisions, it also takes in Non-Regular Marine transport assignments that are carefully planned and executed by its team of expert engineers.

We promote a company culture that encourages trust and high ethical standards. Personal integrity is paramount to Heartland Barge Management, and we believe this commitment is the core to our solid long-term business relationships. Being focused on this belief ensures that we conduct business with all our customers in a principled and honest manner. This philosophy helps us maintain a strong, reliable reputation for our company in the marine industry

# GSM Shipping

also represents the ethical choice we're committed to sustainability, quality, safety, compliance, honesty and transparency in everything we do.

Our formalized approach and strict principles set the standard in many sectors.

GSM possesses great flexibility and adaptability to the rapidly changing economic climate. This allows the company to be nimble and adjust quickly to take advantage of business opportunities and to remain sustainable during global recession.

We are a company in which upholds the ideas of people and customer focus, society care, environmental protection and sustainable development in order to fulfill our corporate social responsibility.

**PROMOTE THE  
COMPETITIVENESS  
THROUGH THE POLICY  
OF QUALITY FIRST.**

GSM owns and operates a fleet to cater to all your transportation needs. Our shipyard is able to provide offshore and onshore services. In addition, our benefit of services :

- Our equipment is well-maintained.
- Our experienced crew takes pride in reliability and safety records.
- Our Management is cost sensitive to customers and can recommend the best solutions for marine transportation needs.

Headquartered in Jakarta - Indonesia, GSM has a strong regional presence and committed to providing timely, high quality and safe services to its customers around domestic regions.

## OUR VALUES

### At Global Sinergi Maritim
